WACO DIVISION

INC.,

*Plaintiff,*

Case No. 6:25-CV-00025-JKP

v.

ASUSTEK COMPUTER INC.,

*Defendant.*

**ORDER APPOINTING TECHNICAL ADVISOR**

The Court hereby appoints Dr. Joshua J. Yi to serve as the Technical Advisor for the Court in this case. Dr. Yi's contact information is as follows:

Dr. Joshua J. Yi  
13492 Research Blvd., Ste. 120 - #445  
Austin, TX 78750  
josh@joshuayipatentlaw.com

The parties shall send courtesy copies of the following documents no later than one business day after the date of this order or after the last document in the following list is filed:

- (1) **Briefs, joint claim construction statement, and patents:** In paper form, double-sided, stapled or bound (e.g., 3-ring), to the mailing address above,
- (2) **Briefs, exhibits, joint claim construction statement, patents, and tutorial:** In electronic form, on a USB drive, to the mailing address above,
- (3) **Word version of the joint claim construction statement:** Via e-mail to the above email address.

If the document was filed with the Court, the copy must include the CM/ECF header.

Dr. Yi will assist the Court with technical issues related to the claim construction process and advise the Court regarding preliminary and final claim constructions. Because a technical advisor serves essentially as a law clerk to the Court and will be familiar with the claim construction issues in this case, Dr. Yi may also assist the Court in drafting a claim construction order.

Finally, depending on the needs of the case, Dr. Yi may also assist the Court with motions for summary judgment, Daubert motions, at trial, and with post-trial motions.

It is so ORDERED.

SIGNED this 5th day of May, 2025.

UNITED STATES DISTRICT JUDGE
